If you wish purchase orders sent to a different address, please so indicate. If you wish payments sent to a different address, please so indicate on your invoice.
- 1.02 **DELIVERY:** Time will be of the essence for any orders placed as a result of this ITB. The City reserves the right to cancel any orders, or part thereof, without obligation if delivery is not made in accordance with the schedule specified by the Bidder and accepted by the City.

Submission of a bid is evidence that the bidder has familiarized himself with the nature and extent of the work and any conditions that may, in any manner, effect the work to be done and the labor, materials and equipment required. Bidders may contact the Contract Administrator Gina Rivera at (954) 828-5786 with any questions regarding the locations specified below.

05. Competency of Bidders

Bids will be considered only from firms who are regularly engaged in the business of providing the goods and/or services described in the Invitation to Bid. The awarded Contractor must be able to perform as required under the Scope of Services below. Any failure of a successful bidder to comply with these conditions may be cause for terminating any resulting contract immediately upon notice by the City. The City reserves the

The City reserves the right to extend the contract for four (4) additional one (1) year periods, providing both parties agree to the extension; all the terms, conditions and specifications remain the same; and such extension is approved by the City.

08. Cost/Award

The yearly increase, or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one year prior. Any requested price increase shall be fully documented and submitted to the City at least ninety days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the City shall have the right to receive from the contractor a reasonable reduction in costs that reflect such cost changes in the industry.

The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the contract may be cancelled by the City upon giving thirty (30) days written notice to the Contractor.

10. Service Test Period

Prior to awarding this contract, the City may require a test period to determine if the Contractor can perform in accordance with the requirements of the contract and to the City's satisfaction. Such test period can be from 30 to 90 days and will be conducted under all terms, conditions and specifications contained in this ITB. A performance evaluation will be conducted prior to the end of the test period and that evaluation will be the basis for the City's decision to continue with the Contractor or to select another one.

If, due to inclement weather or other acts of God the service is not performed according to schedule, make-up servicing shall be rescheduled as soon as possible. The City of Fort Lauderdale reserves the right to revise the mowing frequency for weather, fiscal, or budgetary reasons.

04. Work Schedules

Prior to each month of service, the contractor must submit a work schedule containing the proposed dates for each service. The Contract Administrator must approve the monthly job completion format and monthly work schedules. 05. Job Completion Notices

The Contractor shall also be responsible to submit to the Parks Division, on a daily basis, Job Completion Notices, detailing those areas or service groups completed within that current or previous work day. These shall be sent by fax to Gina Rivera at (954) 828-5799 or via e-mail to GinaR@ci.fort-lauderdale.fl.us. A hard copy may also be hand delivered to the Parks Shop located at 220 SW 14 Av., Bldg. 2, Fort Lauderdale, FL. **The notices may not be mailed**. Exceptions shall be the notices of work completed the last day of the workweek may be delivered the following Monday morning. 06. Areas of Responsibility

See Bid Proposal Pages below.

07. Safety

The Contractor shall adhere to the Florida Department of Transportation's Uniform Manual on Traffic Control for construction and maintenance work zones. It will be the sole responsibility of the Contractor to make himself and his employees fully aware of these provisions, especially those applicable to safety.

08. Damage to Public and/or Private Property

Extreme care shall be taken to safeguard all existing facilities, site amenities, sprinkler systems, trees, shrubs, windows, and all vehicles on or around the job site. Damage to public and/or private property shall be the responsibility of the Contractor and shall be replaced or repaired by the Contractor at no additional cost to the City. If the Contractor has not repaired or replaced damaged property within 24 hours notice by the City, the City reserves the right to correct the situation and deduct all charges from the Contractor's invoice.

09. Contract Coordinator

- Resolve any disputes.
- Assure consistency and quality of Contractor's performance.
- Schedule and conduct Contractor performance evaluations and document any findings.
- Review and approve for payment all invoices for work performed or items delivered.

10. Contractor Performance Reviews and Ratings

The City Contract Coordinator shall develop a Contractor performance evaluation report. This report shall be used to periodically review and rate the Contractor's performance under the contract with performance ratings as follows:

Excellent	Exceeds requirements.
Good	Meets requirements.
Fair	Barely meets requirements.
Poor	Does not meet all requirements and contractor may be subject to penalty provisions under the contract.
Non compliance	Either continued poor performance after notice has been given or a performance level that does not meet a significant portion of the requirements. This rating makes the Contractor subject to the default or cancellation-for-cause provisions of the contract.

The report shall also list all discrepancies found during the review period. The Contractor shall be provided with a copy of the report, and may respond in writing if he takes exception to the report or wishes to comment on the report. Contractor performance reviews and subsequent reports will be used in determining the suitability of any contract extension.

11. Deletions or Modification of Services

The City reserves the right to delete any portion of this Contract at any time without cause, and if such right is exercised by the City, the total fee shall be reduced in the same ratio as the estimated cost of the work deleted bears to the estimated cost of the work originally planned. If work has already been accomplished on the portion of the Contract to be deleted, the Contractor shall be paid for the deleted portion on the basis of the estimated percentage of completion of such portion. If the Contractor and the City agree on modifications or revisions to the task elements after the City has approved work to begin on a particular task or project and a budget has been established for that task or project, the Contractor will submit a revised budget to the City for approval prior to proceeding with the work.

12. Cost Itemization

The Contractor will only receive payment for the number of maintenance services completed prior to submitting a monthly invoice. It is the responsibility of the Contractor to submit detailed documentation by individual location and dates of service accomplished. This is to be attached to or made a part of their monthly invoice.

An example of the required detailed information is shown below.

Invoice Date: July 1, 200X
 Location: Location 1 was mowed X times (of the anticipated XX) during the June billing period.
 Payment Due: X times \$_____/per mowing = \$ ____
 Details to be included:

Bermuda Riviera	6/2	6/16	6/30

13. Invoices/Payments

No payment will be made for work for which a job completion notice has not been received. This procedure is necessary in order to allow Parks Division personnel the opportunity to verify the completion of scheduled work to prescribed specifications and confirm that the Contractor is complying with the established work schedules.

Invoices shall be received at the completion of each month of service. The City reserves the right to consider alternate invoicing. The contractor must correct incorrect invoices. Payment will not be processed until a corrected invoice is received.

14. Penalty Schedule/Deductions

In the event the contractor shall not have completed all of the required services as outlined in the specifications and as actually reflected in the Job Completion Notice when the frequency requires, the Contractor will be required to make corrections of all discrepancies between the hours of 7:00 AM and dusk the following work day. These corrections must be completely performed in accordance with the specification requirements.

Failure of the Contractor to appear on any scheduled workday without the advance approval of the City's Contract Administrator, or his designee, shall also result in the deduction of the total cost for that mowing from the monthly invoice.

Penalties are intended to act as an incentive for the Contractor to perform in full compliance with the specifications. Penalties will be applied in accordance with the Contractor's bid proposal form prices. A full penalty price will be levied against the Contractor each time service is not performed in full accordance with work specifications. Such penalties will continue until said service is performed or the contract is canceled.

15. Additional Items/Duties

The City may require additional locations of a similar nature, but not specifically listed in the contract. If the contractor agrees to provide such services, the pricing on such additional locations shall be based upon the square footage pricing submitted on the Bidder Proposal Pages. If the price(s) offered are not acceptable to the City, the City reserves the right to procure those services from other vendors, or to cancel the contract upon giving the Contractor thirty (30) days written notice.
